## Ingredients

- ½ cup frozen strawberries
- 2 tablespoons almond butter
- 1 medium banana
- ½ cup milk of choice
- 1 cup ice (less, if using frozen bananas)

## Almond Butter & Jelly (AB&J)

### Directions

1. Place all ingredients into a blender and blend until smooth. If smoothies are too thick to blend, add more liquid until desired texture is reached.

The AB&J froths over with antioxidant-rich berries and healthy fats, both of which help reduce inflammation, while serving up a big taste of childhood nostalgia.<sup>4,5</sup>

**Pro tip:** Freezing bananas for smoothies helps make the consistency creamier.

**Yield:** 1 large serving or 2 small servings
